UST-14, SUMMARY OF DEPOSITS & DISBURSEMENTS

INSTRUCTIONS: BEFORE COMPLETING THIS PAGE, prepare a UST-14 CONTINUATION SHEET (see next page) for each bank account or other source of the debtor's funds. The deposit and disbursement total from each CONTINUATION SHEET will be used to complete this SUMMARY.

The debtor is responsible for providing an accurate monthly disbursement total for the purpose of calculating its obligation pursuant to 28 U.S.C. § 1930 (a)(6) to pay statutory fees to the United States Trustee. The disbursement total encompasses all payments made by the bankruptcy estate during the reporting month, whether made directly by the debtor or by another party for the debtor. It includes checks written and cash payments for inventory and equipment purchases, payroll and related taxes and expenses, other operating costs, and debt reduction. It also includes payments made pursuant to joint check arrangements and those resulting from a sale or liquidation of the debtor's assets. The only transactions normally excluded from the disbursement total are transfers within the same reporting month between multiple debtor accounts.

A fee payment is due within 30 days after the end of each calendar quarter, or on **April 30, July 31, October 31, and January 31**, respectively. Since the amount billed is an estimate, the debtor is responsible for paying the correct statutory fee based on its actual disbursements for the calendar quarter, or portion thereof the debtor was in Chapter 11. Failure to pay statutory fees to the United States Trustee is cause for conversion or dismissal of the case. A copy of the statutory fee schedule may be found attached to this report. If you have questions computing the disbursement total, contact the Bankruptcy Analyst assigned to your case at (206) 553-2000.

Significant Events and Case Progress August 2018:

The company experienced an operating profit in August of \$39,063 compared with an operating loss of \$85,511 in July. Profit due to MedalCraft sale of \$110,000, above the book price of the asset.

The Court authorized the Trustee to sell remaining property of the estate per order of July 10, 2018. NWTM sent miscellaneous collector numismatic pieces from inventory on consignment to a dealer. Anticipated to receive sale proceeds by September.

ANS and MedalCraft are being billed for NWTM labor for packing and shipping their purchased Dies and have agreed to pay for these services.

Court approved settlement with Bill Atalla. Settlement was wired to K&L Gates to disburse upon court approval.

Court Approved moving NWTM records and "Ross Hanson" boxes and items to Washington DOJ. All of "Ross Hanson" boxes were removed from Dayton and moved to Washington DOJ by Ross Hanson.

All Equipment in the Dayton facility has now been sold or disposed of. All remaining inventory has been put in storage in WA to be sold or otherwise liquidated. Dayton facility is empty and in process of cleaning and repairing the building. Removal of all toxins will be completed by September 18th, which will be our final day at the Dayton facility. All utilities will be turned over to the leasing agent and property insurance will be cancelled.

Reconciliation with NWTM's credit card processing company was completed. Credit card processor has agreed to refund 110K of chargebacks taken post-petition based on pre-petition activity. NWTM has received \$74,970 of the \$110K of the refund amounts. The remainder of the refund will be received within 30 days upon the close of the credit card processing account. NWTM is still using the credit card company for Die shipping payments.

The estate continues to run a skeleton crew to clean up the operations, ship dies, and prepare for surrender of possession of the Dayton leased premises. The trustee has reached an agreement, subject to court approval, with the landlord that is a complete settlement of all claims and liabilities. The trustee is performing a Phase 1 EPA audit and is removing all the remaining chemicals.

The company is running on a court approved cash budget which is updated daily. All Payments are approved by the Trustee before they can be made. The budget runs through the end of December.

Trustee will continue to liquidate the estate's assets in Chapter 11 and distribute the liquidation proceeds subject to a court order. The proceeds will pay administrative claims and secured creditors. The Trustee does not anticipate distributions to the General Unsecured Creditors.

What To Do If You Think You Find A Mistake on Your Statement: If you think there is an error on your statement, write us at: KeyBank N.A., P.O Box 93885, Cleveland, OH 44101- 5885.

In your letter, give us the following information:

- **Account Information :** Your name and account number.
- **Dollar Amount :** The dollar amount of the suspected error.
- **Description of the Problem :** If you think there is an error on your bill, describe what you believe is wrong and why you believe it was a mistake.

You must contact us within 60 days after the error appeared on your statement. You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively “advances”) from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the “Average Daily Balance” of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.

CREDIT INFORMATION: If you believe we have reported inaccurate information about your account to a credit reporting agency, you may contact the credit reporting agency or write to us at:

While we investigate whether or not there has been an error, the following are true:

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount. But, if we determine that we made a mistake, you will not have to pay the amount in question or any interest or other fees related to that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

Explanation of Finance Charge: Your Finance Charge attributable to interest (hereinafter referred to as interest) is computed using the Average Daily Balance method.

Average Daily Balance method (Balance Subject to Interest Rate): Your interest is computed on all purchases and cash advances (collectively “advances”) from the date each advance is posted until we receive payment in full (there is no grace period). We figure the interest on your line of credit by multiplying the daily periodic rate by the “Average Daily Balance” of your line of credit (including current transactions) and multiplying by the number of days in the billing cycle. To get the Average Daily Balance we take the beginning balance of your line of credit each day, add any new advances or debits, and subtract any payments and credits, any non-financed fees and unpaid interest. This gives us the daily balance. Then we add up all of your daily balances in the billing cycle and divide this total by the number of days in the billing cycle to get your Average Daily Balance.
